CERTIFICATION FOR TEACHING Certification laws changed as of September 20, 1957, and certificates are issued now upon the recommendation of recognized colleges. This means, the teacher needs to consult with the college of their choice as to required courses needed for the renewal of their certificates, or in planning to get the next higher certificate. There are now three types of certificates. 1. Pre-Professional (a) Nebraska General Elementary (1 year term) (b) Nebraska Junior Elementary (3 year term) 2. Professional (a) Nebraska Elementary (5 year term) (b) Nebraska Secondary (5 year term) (c) Nebraska Administrative & Supervisory (5 year term) 3. Permanent Certificate--(unless permitted to lapse by seven consecutive years of nonuse.) (a) Nebraska Professional Elementary (b) Nebraska Professional Secondary (c) Nebraska Professional Administrative and Supervisory
